PRESS RELEASE

EXTENDED TEMPORARY ROAD CLOSURE OF:- FOOTPATHS N50 & N51 ALSO BRIDLEWAY N52, ELLISTOWN & BATTLEFLAT.

Leicestershire County Council Highways has agreed to the extended closure of the above PROW'S.

The PROW'S will continue to be closed from Thursday 28th May 2016 for up to 6 months.

This will safely prevent public access to a construction site and enable safe operations to be carried out at the construction site.

The temporary route proposed would divert the routes around the northern edge of the site and part of the western edge to an existing path. The proposed diversions would also prevent access across the railway via footpath N50 (the northern of the 2 existing level crossings) from either direction. The diversion would ensure that footpath connectivity is maintained to the wider network to the south and east of the site during construction, while also ensuring the safety of users of any routes.

During the closure the alternative route will be :- **SIGNED ON SITE.**
