

Penny Wakefield Community Woodland

Community Planting Event

4th February 2017

10:00am - 12:00pm

Mountpark are delighted to invite local residents to take part in a planting event to assist in the creation of a new community orchard.

The site is nearing completion with the main woodland mixes now planted, with able assistance from Ellistown Scouts in December 2016. Benches and access points will also be in place soon.

The new orchard will include the following species:
Cherry, Apple, Pear, Plum, Apricot and Fig.

If you would like to join us on Saturday, please meet at the woodland park as accessed from Robson Way and Rushby Road at 10:00am. Some spades will be available courtesy of The National Forest, but please do bring along a garden spade if you have one. Warm, waterproof clothing is also essential.

For further details please contact:

Robin Truslove - Landscape Consultant (Mob. 07879 437 255)
